Bloomington, Indiana University, Bloomington, Lilly Library at Indiana University, Ricketts 162

Description: ff. 113 - Bound in early nineteenth-century French calf gilt, edges mottled red, marbled endleaves, paper flyleaves; in a fawn cloth case. - Jean-Baptiste Joseph Barrois, of Lille (1784-1855), his 297 (green label on spine); the collection bought in 1849 by Bertram, fourth earl of Ashburnham (1797-1878); the fifth earl's sale, Sotheby's, 10 June 1901, lot 33; Quaritch, cat. 211 (January 1902), no. 24, and cat. 290 (June 1910), no. 448; bought by C. L. Ricketts from W. M. Voynich, January 1917, and acquired by the Lilly Library with the Ricketts Collection in 1961. - De Ricci 1935, p. 642; Daur 1961, p. 364.

Notes:-The manuscript is of curiously small format for a romanesque patristic text. It was doubtless made for a monastery suppressed at the French Revolution. It has notes on the flyleaves that it was sold in France on 10 April 1818 and re-sold in 1829 for 115 francs.

Number of Parts: 6 - *Number of Images Available:* 1
